

*MITA HAS SET A VISION TO BE THE **DIGITAL DRIVER FOR THE TRANSFORMATION OF THE GOVERNMENT OF MALTA***

The Agency will yield value to government, citizens and businesses by:

- Providing effective and timely services.
- Assisting in implementing programmes that deliver tangible benefits.
- Making available corporate systems and shared tools.
- Providing expert advice and serving as a business-change catalyst through ICT.

*MITA WILL ACHIEVE THIS THROUGH ITS MISSION, WHICH IS TO: **FORMULATE AND IMPLEMENT DIGITAL POLICIES, INFRASTRUCTURES AND SOLUTIONS TO ASSIST GOVERNMENT TO FURTHER IMPROVE SOCIO-ECONOMIC PROSPERITY.***

The Agency has established 5 strategic themes, which, taken together, enable the organisation to deliver its vision:

- ICT Policy, Strategy & Governance
- Information Technology Services
- Information Systems
- Application & Take-up of ICTs
- An Agile and Pro-active Agency

MITA will provide leadership in relation to ICT policy, digital strategy, service design, enabling frameworks and the adoption of best practice. The Agency will serve as a centre of excellence and a laboratory for experimentation with new ICT methods. All activities will sponsor quality as the centrepiece of daily business.

MITA Executive Committee
